CARALYNN'S CORNER

Well, this past Monday/Tuesday was our scheduled spray days for applying herbicide wall to wall to get control of our weed situation.

Unfortunately we were unable to get anything sprayed out on the front 9 due to the rain on Monday, so the plan will be to just pick away by doing a few holes each day. A sign will be posted anytime chemical is applied on the course.

Thanks for your patience,
- Caralynn

Business Bytes

In order to have an account open, you must complete an account application form with a credit card number. These forms are available at the bar, pro shop and office. Once they are completed, your account will be activated through the business office. TGC statements are emailed out on a monthly basis. If paying by credit card, please stop by the office to have your card swiped for payment as opposed to us keying in the credit card number manually. This will save us a processing fee. Should you have any questions or concerns, please contact Donna or Greg @895-2183.

Please note that in an effort to increase parking lot safety, power carts are not permitted beyond the flower planters and into the lot. Power carts will be staged by number 10 tee.
