Safety First:

- Please be aware of golfers on adjacent fairways when you are teeing off.
- When driving a power cart, please be aware of your speed on bridges and around the clubhouse. Keep feet inside the cart at all times.

Golf and lightning don't mix. Be careful when you are on the course & do not try to beat the lightning! If you can see lightning, don't wait for the horn to sound, come in immediately!

Inform staff in pro shop.

Golf is a great game and we should remind ourselves that it is only a game. Don't take the chance.

SAFETY IS NOT AN ACCIDENT
