Caralynn Cullen

CARALYNN'S CORNER –

Yeah, the fall is here and that means it's time for aeration to begin!!

Greens are scheduled for October 11th, 12th then we will continue on with the tees.

Final fungicide application for the greens and tees is scheduled November 7th and 8th.

We have raised the height of cut up on the greens; we went from 130 to 150.

Enjoy,

- Caralynn
