Business Bytes

In order to have an account open, you must complete an account application form with a credit card number. These forms are available at the bar, pro shop and office. Once they are completed, your account will be activated through the business office. TGC statements are emailed out on a monthly basis. If paying by credit card, please stop by the office to have your card swiped for payment as opposed to us keying in the credit card number manually. This will save us a processing fee. Should you have any questions or concerns, please contact Donna or Greg @895-2183.

“Your place on the golf course is immediately behind the group in front of you, not immediately in front of the group behind you.”

- Old Course, 1st Tee, St Andrews

In the interest of all golfers on the course, please play without delay. Do your part to help avoid slow play.
