CARALYNN'S CORNER - With all the wet weather we have received lately, it's been quite hard to keep up with the grass! I would say keep your ball on the fairways (but even those are at 3 inches LOL)....please be patient, the sun will shine one day!

Recently I put out white markers with black tops around certain areas of the course; this is to re-direct traffic in worn areas around greens and other areas. Please don't move them so you can get your pull cart around, the idea is to get the turf growing again!
Thanks, Caralynn

TEE TALK -

Our golf practice facilities are open to all members, guests and the general public. The facilities include a driving range and putting green, allowing you to improve different aspects of your game. Range balls may be purchased in the pro shop. Additionally, we have 2 CPGA certified golf pros who can tailor lessons to your individual needs. We also provide periodic clinics for all ages and abilities. Contact the Pro Shop for more information.

FYI

- > Please drop in to see the pro shop staff before teeing off, your name must be checked into the computer tee sheet.
- > Stall numbers in the back shop have been assigned and the new stall numbers are posted on the wall opposite the sink. If you are bringing your clubs in for the first time this season, please speak with staff who will assign your space. **The back shop has NO STAFF until Monday, May 23.**
- > Remember to replace your divots on fairways and repair ball marks on greens. We have complimentary repair tools in the Pro Shop - drop in!
