Caralynn's Corner

by Caralynn Cullen

The maintenance staff starts 1 to 1.5 hrs prior to the first scheduled tee time for the sole purpose of trying to stay ahead of the golfers. Normally it's not a problem when members tee off early, but when there are 4 groups waiting to go off #1 tee on the weekend and staff is just arriving, it becomes a problem. As of Monday May 31st the staff will be starting at 5:30 am, 7 days a week. This will give us 1.5 hr head start during the week and 1 hr on the weekends. So just a reminder to all the members who play early, the maintenance staff has the right of way out on the course. We have the right to wave you through or not. It all depends on the time.

We ask you to respect this prep time.

Starting Wednesday and throughout the following week, we will be spraying herbicide tee through green.

Thanks,
Caralynn
