#### TGC MATCHES

Club members are asked to note that all club match draws have now been posted in the lower hallway outside the pro shop. Matches are to be completed by the date indicated for each round. Failure to complete the assigned match by the given deadline will result in a coin flip to determine the winner. If your phone number is not already on the draw sheet please post it to make communication easier for scheduling matches.

Participants are asked to pick up a rules sheet in the pro shop before their match. This should eliminate any confusion over handicaps, extra holes, local rules, what tees to play etc...

Any questions regarding the club match play can be directed to the pro shop or Larry MacKenzie (match chair) at

June 7, 2010-

The Nova Scotia Golf Association (NSGA) is pleased to announce the 2010 Team Nova Scotia High Performance Development Program. This program aims to provide Nova Scotia junior golfers with training and coaching programs that align with the National standards, including the athlete development principles contained in the RCGA Long Term Player Development Guide (LTPD). The goal of the Team Nova Scotia is to ensure that there is a coordinated and consistent approach ensuring that junior golfers from Nova Scotia understand and have the access to a process that will maximize their success at the Provincial, National and International levels.
