## MEMBER & GUEST SHOTGUN

FRIDAY MORNING @ 8:30AM

Caralynn's Corner

by Caralynn Cullen

As of today we have opened the last of the new tee decks. They still need to be aerated top dressed and rolled a few more times, but much more enjoyable then teeing from the rough!

If you have been out lately you will have noticed the new green boxes filled with sand/seed mix on our new tees. These boxes are for the golfers to use after their shot and will help keep our new tees in great condition.....so be sure to use these!!!

Regarding the forward gold discs we placed out on the fairways/rough. We are hoping to have a sheet available to the members and guests in the proshop to help locate the proper spot on each hole. This sheet should be available by the end of this month, sorry for any inconvenience!

After to wet days we did complete the aeration on the back 9 greens. At this point I have not intentions of punching the front until this fall

## Men's Night

Men's Night begins June 1<sup>st</sup>

Handicap Committee

What is the purpose of the RCGA Handicap System and why is it important for members of the TGC to have an accurate one?

It enables golfers of differing abilities to compete on an equitable basis. It is the best method to give you the opportunity to compete fairly with any golfer, on any course. The system is only as fair as the golfers who use it, however, and assumes that you will be honest, try to make the best score on every hole, and submit every acceptable score for peer review.

As a member of the Truro Golf Club it is your responsibility to preserve the integrity of the game by posting a score for every acceptable round as soon as possible after completion of the round so your RCGA Handicap Factor is current.

June 5<sup>th</sup> & 6<sup>th</sup>. Ladies, sign up for the JUNE BUG!!  
This is a Truro Golf Club Tournament. Sign up is in the Golf Shop.
