

Junior Update

Back for 2024: TGC junior and little swinger clinics, begin the first week of July. Links and more info are on the TGC site. Call or visit the Pro Shop or office to sign up. Please do so by June 21.

There will be 5 Monday night fun nights for juniors: June 24, July 8, 22, August 5 and 26. Book your tee time on-line 1 week before each event (times begin around 6 pm). Snacks and prizes included-no fee.

As a junior program we are fundraising by selling 50/50 tickets at some tournaments at TGC.

We need junior volunteers to help sell. We will set up a table beside the tournament registration table and basically you will ask tournament players if they would like to buy 50/50 tickets. You or the player will print their name on each ticket they purchase, then tickets go in the bucket-they don't keep half the ticket. (Cost per ticket, will be on a sign at the table).

A sign up sheet will be on the bulletin board outside the Pro Shop before each tourney. Please help us support you.

Tournaments: June Bug	June 1
Truro Invitational	June 15
NS Road Builders	July 11 (a putting contest on practice green)
